

INTERCULTURAL COMPETENCIES FOR MINISTRY via ZOOM

Implications and Challenges for Leadership and Ministries

12 CEU units available for CPE and Social Workers

This interactive workshop explores cultural differences in values, attitudes, perceptions, and communication dynamics. The workshop provides practical guidance for Chaplains, Professional Caregivers, and other Pastoral Ministers who work in today's culturally diverse hospitals and community settings.

OBJECTIVES

- To deepen a respectful awareness of cultural identity and diversity
- To better understand cultural differences in communication styles and power perceptions
- To identify cross cultural competencies for effective and respectful service/ministry in diverse settings
- To better understand cultural patterns, especially among Latino patients' perceptions of illness, suffering and death
- To identify culturally relevant criteria for ethical decision making in professional care-giving and pastoral care

PRESENTER

Dr. John Chitakure is an Associate Professor of Pastoral Theology at the Mexican American Catholic College. He holds a doctorate in Ministry from the Catholic Theological Union at Chicago. He has taught at several Catholic Seminaries in Zimbabwe. He is the author of two books in religious studies.
