

Language Studies at MACC

Are you seeking to learn Spanish in a small class setting with individualized attention?

Then **MACC** is the place for you!

MACC offers an excellent pastoral language program for those wanting to acquire proficiency in Spanish.

The **Intensive Spanish Program** is for persons who need to learn Spanish for business, travel, health care, or other settings not related to ministry.

The **Intensive Pastoral Spanish** is for persons who need to develop their language skills to minister to those in need of pastoral care, liturgical celebrations, preaching, and other facets of pastoral ministry.

Course sessions are four weeks and are taught at levels ranging from beginner to advanced. We offer a supportive environment that encourages participants to practice their new language skills. Special classes for vocabulary and practice of terminology, specific to the participant's needs, personalize and enrich the overall learning experience.
