22 FEBRUARY 2024

Fr. Michael Patella
Professor of Theology

When the Bible Task Force first convened to set the direction and scope of The Saint John’s Bible, an objective it sought to promote was the melding of imagination and scholarship within the Church and Academy. The importance of the imagination at first might appear to some as a trifle, but such a seeming afterthought obscures a tectonic force in play. Fr Michael Patella, OSB, the Chair of the Committee on Illumination and Texts for The Saint John’s Bible, will discuss the interplay of The Saint John’s Bible, Art, and Hispanic culture in revitalizing biblical interpretation.

A follow up talk with
Dr. Robert O’ Connor of
St. Mary’s University will
take place on
Monday, February 26th
at MACC!
